This form must be received by July 21, 2009.

You will be notified of the results of the football ticket lottery by August 1. Be sure your contact information (email and phone number) is legible.

IMPORTANT INFORMATION:

Each alumni society was allocated a limited number of tickets. **Only those who are members of the OSU Alumni Association and members of one of our alumni societies will be eligible for these tickets.** Each person will be limited to purchasing two game tickets per household and they must be purchased with either the tailgate event or the fall meeting. If ticket requests exceed the number of tickets available, then the requests will be filled by a lottery system. You will receive a confirmation of your ticket request by August 1. If you are randomly selected to receive the tickets, you will have **one week** to send payment in for the tickets and tailgate. If payment is not received, another alumnus will be offered your tickets. If you already have tickets to the USC game via other sources (President's Club, Varsity O football, Varsity O), you will not be eligible to purchase tickets through our event, but ask you to join your fellow alumni at the other sponsored events. All tailgate and football tickets purchased through us will be available for pick-up at our tailgate at Frye Hall or at the CPH Alumni Society Fall Meeting. Failure to pick up the tickets at this time will result in forfeit of the tickets. Seat location will not be known until the ticket office releases the tickets, usually three weeks before the game.

Alumni society dues are to be paid at the time of registration, if not paid already. If you do not plan to attend the events, but wish to renew your membership to one of our alumni societies, please complete the form and indicate "renew or join." For the HSMP alumni society, you may join online at <http://hsmp.clubexpress.com>.
