What recommendations do you have for future residents?

Thinking about the type of student that might be best matched with this organization and/or preceptor in the future...

Good match for someone with:

- no healthcare experience
- some healthcare experience
- a lot of healthcare experience

*Comments:*

Good match for someone who is:

- very "green," i.e. no work experience, not sure what they want
- somewhat focused
- very focused, has clear career goals

*Comments:*

Good match for someone who:

- can work very independently
- needs some direction

*Comments:*

Good match for someone who:

- appreciates gentler constructive criticism, needs to build self-esteem
- appreciates more straightforward criticism, needs someone to challenge them

*Comments:*

Any other thoughts?
