

## **Hennepin County Job Opportunity**

Public Health Nurses

Be a champion to promote a healthy lifestyle!

Public Health Promotion has two part-time benefit earning (64 hours per week) Public Health Nurse positions available to work with local clinics and implement protocols designed to help adult patients increase physical activity, improved nutrition and decrease tobacco use and exposure.

Positions require:

- Bachelor's degree in Nursing and certified as a Public Health Nurse
- Valid driver's license and car availability (parking and mileage reimbursement)

- Experience planning and implementing chart audits, group facilitation and training

- Leadership, verbal and written communication skills

Enjoy the opportunity to work on a team with other dedicated professionals. Work hours are flexible and are primarily days, Monday through Friday; occasional evening hours may be required. Hennepin County was listed in Minnesota Magazine as 1 of 48 "Great Places to Work" in Minnesota. (January 2009)

Positions are located at the Health Services Building in downtown Minneapolis. These positions are two-year, grant funded with benefits provided through June 30, 2011. Funding is provided by the Minnesota Department of Health through the Statewide Health Improvement Program (SHIP).
