

College of Public Health and College of Arts and Sciences

Undergraduate Interdisciplinary Minor in Public Health and the Arts

Overview

A minor in Public Health and the Arts exposes students to both public health and the arts with the goal of promoting an understanding that community wellbeing encompasses many aspects of daily living and not just individual behavior. By combining foundational courses in public health and arts with discipline-specific courses in arts and humanities, students will gain an understanding and appreciation for how arts and culture are essential components of individual wellness and healthy communities.

Public Health and the Arts Curriculum

Required foundational courses (6 credit hours)

I. Foundational Public Health (3 credit hours)

PUBHLTH 2010 Critical Issues in Global Public Health

Public Health and the Arts Minor Guidelines

Required for graduation No

Credit hours required: A minimum of 15 hrs (some minors require more). 1000 level courses shall not be counted in the minor. At least 6 credit hours must be upper-level courses.

Transfer and EM credit hours allowed: A student is permitted to count up to 6 total hours of transfer credit and/or credit by examination.

Overlap with the GE: A student is permitted to overlap up to 6 credit hours between the GE and the minor. GE approved courses are indicated with a ♦.

Overlap with the major and additional minor(s):

- The minor must be in a different subject than the major.
- The minor must contain a minimum of 12 hours distinct from the major and/or additional minor(s).

Grades required

- Minimum C- for a course to be counted on the minor.
- Minimum 2.00 cumulative point-hour ratio required for the minor.
- Course work graded Pass/Non-Pass cannot count on the minor.

- No more than 3 credit hours of course work graded Satisfactory/Unsatisfactory may count toward the minor.

X193 credits No more than 3 credit hours.

Approval required No approval is required for the minor course work.

Filing the minor program form The minor program form must be filed at least by the time the graduation application is submitted to a college/school counselor.

Changing the minor Once the minor program is filed in the college office, any changes must be approved by both participating colleges.
