

Elizabeth G. Klein, PhD, MPH

Ohio State University College of Public Health
1841 Neil Avenue ~ 358 Cunz Hall, Columbus, OH 43210
Phone: 614.292.5424 | Cell: 614.595.3169 | E-mail: klein.232@osu.edu

Degrees Awarded

Degree	Institution	Date Degree Granted
Ph.D.	University of Minnesota, Twin Cities Behavioral Epidemiology	2007
MPH	University of California at Berkeley Epidemiology & Biostatistics	2002
B.S.	Western Michigan University Community Health Education	1995

Employment

Ohio State University College of Public Health, Columbus, OH Health Behavior & Health Promotion Division Chair	2022-present
Professor	2021-present
Interim Chair	2019-2021
Associate Professor	2015-2021
Assistant Professor	2008-2015
Fulbright Specialist Roster	2024-2027
Fulbright Distinguished Chair in Applied Policy. Adelaide, Australia Flinders University and Carnegie Mellon University - Australia	2021
Nationwide Children's Hospital, Columbus, OH Senior Research Associate	2008
University of Minnesota School of Public Health, Minneapolis, MN Research Associate	2007-2008
University of Minnesota School of Public Health, Minneapolis, MN Graduate Research Assistant	2004-2007
Center for Epidemiologic Studies, Utah State University, Logan, UT Project Manager	2002-2004
Kaiser Permanente Division of Research, Oakland, CA Graduate Student Researcher	2000-2002

Kent County Health Department, Grand Rapids, MI
Public Health Program Supervisor

1998-2000

Stanford Center for Research in Disease Prevention, Palo Alto, CA
Research Assistant II

1996-1998

Bulletins, Tech Reports, Fact Sheets

RESEARCH GRANTS

Current research

Project title: OSU Center for Clinical and Translational Science: Advancing Today's Discoveries to Improve Health (2023-2030)

Investigator status: Evaluation lead (PI: Johnson)

Funding type: UM1 National Cancer for Advancing Translational Sciences

Project title: Clinical Trial Concept in the Oncology Landscape (2024-2029)

Investigator status: Evaluation lead (MPI: Verschraegen/Owen)

Funding type: R25 National Cancer Institute

Project title: Maximizing public health gain: Electronic cigarette packaging and health warnings effect on the likelihood of use, appeal, visual attention and harm perceptions across age and smoking status groups. (2024-2029)

Investigator status: Co-Principal Investigator (MPI: Bar-Zeev)

Funding type: United States – Israel Binational Science Foundation

Project title: The Ohio State University Tobacco Center of Regulatory Science (OSU-TCORS). (2023-2027)

Investigator status: Co-Investigator (MPI: Wagener/Shields)

Funding type: U54 National Cancer Institute

Completed research

Project title: Vaping's End through Research and Innovation for Youth (VERIFY). (2020-2022)

Investigator status: Principal Investigator (MPI: Mohler/Wold/Wagener/Klein/Roberts)

Funding type: American Heart Association

Project title: The Role of Cigarillo Characteristics in Concurrent Use of Cigarillos and Cannabis (2021-2022)

Investigator status: Principal Investigator (MPI: Klein/Trapl/Quisenberry)

Funding type: Administrative Supplement: National Institute on Drug Abuse

Project title: Perception of flavor on appeal, risk, and purchasing behavior among current young adult cigarillo users. (2019-2022)

Investigator status: Principal Investigator (MPI: Klein/Trapl/Quisenberry)

Funding type: R01: National Institute Drug Abuse/Center for Tobacco Products

Project title: Reframing tobacco warnings to promote female smoking cessation (2020-2021)

Investigator status: Distinguished Chair in Applied Policy (PI: Klein)

Funding type: Fulbright Scholarship Commission

Project title: Impact of flavor on youth and young adult use intentions, abuse liability, and perceptions of cigarillos among sexual and gender minorities. (2020-2021)

Investigator status: Principal Investigator (MPI: Klein/Trapl/Quisenberry)

Funding type: Administrative Supplement: National Institute on Drug Abuse

Project title: Visual attention to graphic health warnings about smoking and pregnancy among low-income women of reproductive age. (2020-2021)

Investigator status: Principal Investigator

Funding type: NIH National Center for Advancing Translation Science/ OSU Center for Clinical and Translational Science

Project title: Flavored tobacco product regulation: Behavioral economic demand, visual attention, and flavored tobacco product availability. (2018-2020)

Investigator status: Co-Investigator (PI: Quisenberry)

Funding type: R03: National Cancer Institute/Center for Tobacco Products

Project title: Graphic and text-based waterpipe warning labels to combat harm misperceptions. (2017-2020)

Investigator status: Co-Investigator (MPI: Ferketich/Brinkman)

Funding type: R01: National Cancer Institute/Center for Tobacco Products

Project title: Framing health communications to promote female cessation. (2018-2019)

Investigator status: Principal Investigator

Funding type: Coca-Cola Foundation

Project title: Using social media to disseminate injury prevention content: Is a picture worth a thousand words? (2017-2019)

Investigator status: Co-Investigator (PI: McKenzie)

Funding agency: Centers for Disease Control and Prevention

Project title: OSU Center of Excellence in Regulatory Tobacco Science (OSU-CERTS). (2013-2018)

Investigator status: Co-Investigator (Project 4)

Funding agency and type: National Institutes of Health

Project title: Navigating information about Harmful and Potentially Harmful Constituents in Tobacco Products (2015-2016)

Investigator status: Principal Investigator

Funding agency and type: Administrative Supplement to the OSU – Center of Excellence in Tobacco Regulatory Science (CERTS)

Project title: Content analysis and legal review of online e-cigarette advertising. OSU-CERTS Pilot grant program (2014-2015)

Investigator status: Co-Principal Investigator

Funding agency and type: OSU – Center of Excellence in Tobacco Regulatory Science (CERTS)

Project title: Comprehension of health risks in more and less arousing affective contexts: Appalachian sample (2014-2015)

Investigator status: Co-Investigator

Funding agency and type: OSU-CERTS

Project title: Evaluation services for the Creating Healthy Communities, Early Childhood Obesity Prevention and Injury Prevention Programs. (2014-2015)

Investigator status: Co-Investigator

Funding agency and type: Ohio Department of Health

Project title: Health impact assessment: Alignment of affordable housing physical inspection policies in

Ohio. (2012-2014)

Investigator status: Principal Investigator

Funding Agency and type: Pew Charitable Trust/Ohio Housing Finance Agency

Project title: Tobacco cessation interventions with Ohio Appalachian smokers. (2012-2014)

Investigator status: Co-Investigator

Funding agency and type: National Institutes of Health

Project title: Secondhand smoke and vascular endothelial status in toddlers. Nationwide Children's Hospital (2012 -2013)

Investigator status: Co-Investigator

Funding agency and type: Nationwide Children's Hospital

Project title: Smokeless tobacco marketing approaches to Ohio Appalachian populations. (2008-2011)

Investigator status: Co-Investigator

Funding agency and type: National Institutes of Health

TEACHING AND ADVISING Ohio State University Courses Taught

1 st year doctoral seminar (PUBHHBP 8899.01)	2022-present
Social Ecological Strategies in Prevention (PUBHBP 4558/6558)	2010-present
Essentials of Public Health (PUBHLT 6010)	2022
Program Evaluation for Public Health (PUBHBP 7532)	2010-2020
Preventing Disease & Promoting Health (PUBHBP 6510)	2019
Community Health Assessment (PUBHBP 7520)	2009-2018
Introduction to PC-SAS (PUBH-BIO 793)	2008

Doctoral Student Advising

Sharefa Duhaney. PhD candidate in Health Behavior & Health Promotion.

Joseph Macisco. Dissertation title: "Developing a game-based intervention to promote belonging among college students." Health Behavior & Health Promotion. Graduated 2023.

Katie Swidarski. Dissertation title: "The Impact of Safety on Walk-to-School Behavior: Analysis of Local Safe Routes to School Program Data." Health Behavior & Health Promotion. Graduated 2018.

Doctoral Dissertation Committee Service

Vitoria Borges Spinola. PhD student. Health Behavior & Health Promotion.

Jill Singer. Dissertation title: "Tobacco use before and after Massachusetts' statewide flavored tobacco restriction: How equitable is this policy?" OSUCPH, Health Behavior & Health Promotion. Graduated 2023.

Allison Glasser. Dissertation title: "The Role of Cigarillo Flavor and Price in Co-Use of Cigarillos and Cannabis: An Explanatory Sequential Mixed Methods Study." Health Behavior & Health Promotion. Graduated 2022.

Kathryn Krupsky. Dissertation title: "Household Chaos in Toddlerhood: Implications for Early-Childhood Weight Development." Epidemiology. Graduated 2021.

Sarah Reisinger. Dissertation title: "An economic evaluation of two community health worker models of tobacco dependence treatments among Ohio Appalachian smokers" Health Behavior & Health Promotion. Graduated 2019.

Yue Jin. Dissertation title: "Ending Tobacco Sales in Pharmacies: A Comprehensive Evaluation on Tobacco-free Pharmacy Laws." Epidemiology. Graduated 2015.

Lynn Huynh. Dissertation title: "School Policies and Practices and Food Environments on Fruits and Vegetables from Salad Bars among U.S. Elementary Schools." Health Behavior & Health Promotion. Graduated 2014.
