

## 2026-2027 Curriculum Guide for the Online Executive Master of Health Administration Degree

MHA graduates will have the knowledge and skills for management and policy positions in health services careers. Students in the online Executive Master of Health Administration (EMHA) track will have access to a designated team of professionals including the EMHA Faculty Director, the EMHA Program manager, and other HSMP and CPH faculty to guide them as they complete the program. This document outlines the 2-year, full-time MHA academic curriculum. All students are expected to be familiar with the College of Public Health (CPH) Graduate Student Handbook: <https://cph.osu.edu/students/graduate/student-handbook>, the Graduate School Handbook: <https://gradsch.osu.edu/graduate-school-handbook-gsh> and the CPH competencies: <https://go.osu.edu/cphcompetencies>.

### PROGRAM OF STUDY

The MHA curriculum consists of a minimum of 45 credit hours organized into two curricular domains:

1. Public Health Foundational Courses (6 credit hours)
2. Required courses (39 credit hours)

#### Public Health Foundation Courses (6 credit hours)

Every student in the EMHA program must take the following courses in areas of knowledge basic to public health:
