

24<sup>th</sup> Annual

# Summer Program in Population Health

June 26 - 29, 2023

The Summer Program in Population Health courses are focused on engaging those who work in state and local governmental public health, health care administration and practice, social work, mental and behavioral health, community health and others invested in improving health outcomes and reducing disparities.

Each course provides approximately 14 contact hours of content. Continuing education credit is offered for Certified Health Education Specialists (CHES and MCHES) and Public Health (CPH).

All courses are held at The Nationwide and Ohio Farm Bureau 4-H Center at 2201 Fred Taylor Dr. Columbus, OH 43210.
