

Extension Public Health AmeriCorps

We Are Recruiting!

Extension Public Health AmeriCorps Part-Time Member

Seeking enthusiastic and caring individuals with a desire to create positive community change. A person dedicated to volunteerism and interested in improving health outcomes in their communities.

PROGRAM GOALS

- Address public health needs of local communities by providing support in public health settings.
- Advance more equitable health outcomes for under-served communities.
- Expose youth to public health and other health related career opportunities.
