Call for Faculty Abstracts

The Public Health Combined Conference
Doubletree Hotel
175 Hutchinson Avenue, Columbus, OH 43235
May 9, 10, 11, 2016

This is an opportunity for faculty to showcase evaluations, research, projects, and experiences through a poster and oral presentation session at the public health combined conference at the Doubletree Hotel in Columbus/Worthington. Faculty poster and oral presentations will be presented on Tuesday, May 10, 2016. Posters will be presented on late Tuesday morning, during an academic section reception. Faculty oral presentations will be presented Tuesday afternoon. The student posters will be combined with the faculty poster session.

Faculty interested in submitting abstracts for consideration should summarize their presentation. Abstracts should be typed, single spaced, no more than 500 words and should be accompanied by a brief biographical sketch of the presenter(s). The abstract and information listed below should be sent electronically by Wednesday, March 23, 2016, by 5 p.m. Because of the early timing of the conference this year, there will be NO DEADLINE EXTENSION. Abstracts submitted after March 23 will not be reviewed.

Poster presenters will be given a six-foot skirted table or an easel to set up posters--you need to bring your own display boards (office supply stores carry the tri-fold boards that stand up on their own or you can have your poster mounted on foam core board to put on an easel). Oral presentations will be 15-20 minutes, depending on the number of submissions; you will be notified of the time frame at the time of notification, if your abstract is selected.

Faculty: please supply the following information and send to the following e-mail address. Label the document with the information below with your last name and abstract (e.g. LeeAbstract). If you have questions, Amy Lee can be reached at 330-325-6164 or afl@neomed.edu.

Send your submission electronically to Amy Lee, MD, MPH by March 23, 2016 at afl@neomed.edu.
