Call for Student Abstracts
The Public Health Combined Conference
Doubletree Hotel
175 Hutchinson Avenue, Columbus, OH 43235
May 9, 10, 11, 2016

This is an opportunity for students to showcase evaluations, research, projects, and experiences through a poster or oral presentation at the public health combined conference at the Doubletree Hotel in Columbus/Worthington. Student poster and oral presentations will be presented on Tuesday, May 10, 2016. Posters will be presented on late Tuesday morning, during the academic section reception. Oral presentations will be Tuesday early afternoon, after the reception. The student posters will be combined with the faculty poster session.

Students interested in submitting abstracts for consideration should summarize their presentation. Abstracts should be typed, single spaced, no more than 500 words and should be accompanied by a brief biographical sketch of the presenter(s). The abstract and information listed below should be sent electronically by Wednesday, March 23, 2016, by 5 p.m. Because of the early timing of the conference this year, there will be NO DEADLINE EXTENSION. Abstracts submitted after March 23 will not be reviewed.

Oral presentations will consist of 10-minute time slots--7 minutes for the presentation and 3 minutes for questions. However, depending on the number of accepted abstracts, these times may change slightly--you will be notified on the exact time limits if your abstract is accepted for oral presentation. Poster presenters will be given a six-foot skirted table or an easel to set up posters--you need to bring your own display boards (office supply stores carry the tri-fold boards that stand up on their own or you can have your poster mounted on foam core board to put on an easel).

Students: please supply the following information on a word processed attachment and send your submission electronically to Amy Lee, MD, MPH by March 23, 2016 at afl@neomed.edu. Label the document with the information below with your last name and abstract (e.g. LeeAbstract). If you have questions, Amy Lee can be reached at 330-325-6164 or afl@neomed.edu. To be eligible for student presentation in this venue, you must currently be a student or have graduated May 2015 or later.

- Title of abstract
- Submission: for oral or poster or no preference
- Student presenter(s) name
- Preceptor or faculty name
- University, program, or school affiliation
- Graduation date (projected or actual date) Must
- Address
- Phone, fax, and e-mail address
- Abstract (typed, single-spaced, no more than 500 words)
- Brief biographic sketch of presenter(s) e.g. no more than a paragraph

An award will be given to the top student poster and oral presentations. You will be notified by the end of the day, Friday, April 15, 2016, if your abstract is accepted for presentation.
