

Undergraduate Minor in Global Public Health

(Requirements for students who officially declared the minor Spring 2015 and prior)

<p>College of Public Health Office of Academic Programs and Student Services 1841 Neil Avenue 100 Cunz Hall Columbus, OH 43210; 614-292-8350 cph@cph.osu.edu http://cph.osu.edu/prospective-students/global-public-health-minor</p> <p>Overview The 15 credit hour undergraduate minor in <i>Global Public Health</i> focuses on health issues affecting populations in the US and low-to middle economic status countries worldwide. Students complete courses that provide content relative to presenting and discussing the type and scope of public health issues, factors that contribute to existing and emerging issues, and applicable approaches to address and intervene. The program will augment and enhance many different undergraduate bachelor degree programs and expands learners' knowledge and comprehension of issues affecting humans domestically and internationally.</p> <p>Competencies Upon successful completion of the undergraduate minor in <i>Global Public Health</i>, students will be better prepared to:</p> <ul style="list-style-type: none">• Compare and contrast examples of major domestic and international public health issues• Discuss various global approaches/strategies for identification, response and intervention to address and attempt to resolve common public health issues• Identify political, cultural, behavioral and socio-economic factors related to global public health issues• Work effectively in international settings• Adapt to diverse cultures, perceptions and approaches• Discuss major currents of global change and issues they raise• Communicate across cultural and linguistic boundaries• Comprehend the international dimension of one's field of study. <p>Requirements The minor in <i>Global Public Health</i> requires a minimum of 15 credit hours of courses plus one prerequisite course in statistics.</p> <p>Prerequisite (minimum 3 credit hours): One introductory course in statistics (STAT 1350 or 1450 or equivalent) must be taken before or concurrent with the required course in epidemiology.</p> <p>Required courses (12 credit hours)</p> <ul style="list-style-type: none">• PUBHLTH 2010 Introduction to Global Public Health (3)• PUBHEPI 2410 Introduction to Epidemiology (3)	<p>2 of the 3 following courses (the other course may be used as a minor elective)</p> <ul style="list-style-type: none">• PUBHEHS 3310 Current Issues in Global Environmental Health (3)• PUBHHBP 3510 The Role of Behavior in Public Health (3)• PUBHHMP 4650 US and International Health Care (3) <p>Minor Elective: Students may choose one of the above courses to fulfill the minor elective or may select another course that is at least 3 credit hours to fulfill the Minor Elective requirement. Students interested in using courses not offered by the College of Public Health as a minor elective must complete and submit a curriculum petition. The petition will be reviewed by the Office of Academic Programs and Student Services in the College of Public Health and approved as appropriate.</p> <p>Global Public Health minor program guidelines: <u>Required for graduation</u> No <u>Credit hours required</u> Minimum of 12 credit hours, maximum of 18 credit hours. 1000-level courses shall not be counted toward the minimum <u>Transfer credit hours allowed</u> No more than one half of the credit hours required on the minor <u>Overlap with the GE</u> No more than 6 credit hours can overlap between the GE and a minor <u>Overlap with the major and additional minor(s)</u> The minor must be in a different subject than the major. Each minor completed must contain a minimum of 12 hours distinct from the major and/or additional minors <u>Maximum credits allowed</u> No more than 3 credits allowed</p> <p><u>Grades required</u></p> <ul style="list-style-type: none">• Minimum of a C- for a course to be listed on the minor• Minimum 2.00 cumulative point-hour ratio (GPA) required for the minor• Course work taken Pass/Non-Pass cannot count on the minor• No more than 3 credit hours of courses graded S/U may count toward the minor <p><u>Approval Required</u> Students who wish to declare the minor are required to email cph@cph.osu.edu with the subject line "Declare Global Public Health minor". An academic advisor in the College will then complete a minor program form and email it to the student and copy the student's academic advisor. The academic advisor can then declare the minor.</p> <p><u>Changing the minor</u> Once the minor program is filed in the college office, any changes must be approved by the academic unit offering the minor.</p> <p><u>Declaring the minor</u> The minor should be declared as soon as possible, however it must be declared by the time of applying for graduation.</p>
