<https://glenn.osu.edu/sample-syllabi> for past, current, and future course schedules. Be sure to consult the master schedule via Buckeye Link to determine if you have the prerequisites in place in order to take a specific Capstone course.

Students are, with rare exception, required to take the capstone course in the semester in which they intend to graduate. An overall grade of "B" or higher is required for the capstone course to count as the MPA exit requirement.
