## COLLEGE AGREEMENTS:

- Social Work will accept PUBHLTH 6001: Methods in Quantitative Data Analysis (4 credits), PUBHHBP 7532: Program Evaluation (3 credits), PUBHLTH 7899.01 and 7899.02: Integrative Learning Experience I and II (2 credits) to replace Social Work 7401 and 7402. Social Work will ensure required competencies are met for the Social Work 7401 and 7402 courses and evaluation project (6 credits).
- Public Health will accept Social Work 76XX: Integrative Seminar II (3 credits) to replace PUBHHBP 7542: Settings and Special Populations in Health Promotion (3 credits)
- Public Health will accept Social Work 7189: Advanced Field Education (8 credits) to meet the requirements of the MPH Applied Practice Experience (APE\*), PUBHLTH 7189 for 2 credits. Either before registering, or during the course, an MPH/MSW Learning Agreement with listed Public Health competencies will be collected by Social Work. Students will also be asked to write up a 1-page summary of APE for MPH degree and submit to Public Health. Most agency sites should be able to include a Public Health focus for the advanced field education.

### *Graduation:*

- Since Social Work is a course based Master's Degree, students in the dual degree program will complete the traditional MPH Integrative Learning Experience Project within their Social Work field practicum site whenever possible. The MPH Integrative Learning Experience Project\*\* will substitute for the evaluation project required of Social Work 7401 and 7402.
